On 3/18/13 Chief Det. Riley requested that I conduct several follow-ups in reference to this investigation.

I went to 6655 South St. Rt. 73 where I made contact with Tiffany Lindsey. I advised her that it was my understanding that she may have some information pertaining to this investigation. Tiffany advised that she and her family left the Royal Z bowling alley at about 12:30am on 03/17/13. Tiffany advised that when she was coming onto the SR 73 on ramp she seen a vehicle that appeared to be sitting in the road. Tiffany advised that as she moved over in the far lane she seen that the vehicle was parked off to the side of the road. Tiffany advised that the vehicle was a white 4 door car. Tiffany advised that as she was checking her mirrors she looked up and saw a female standing right in front of her car. Tiffany advised that she slammed on her brakes and the female jumped in the grass into the median part of the road. Tiffany advised that as she continued driving she could see the female just standing along side of the road through her rear view mirror.

Tiffany also advised that a friend of hers showed up at her house about 5 minutes later and advised that the vehicle was still sitting along side the road.

A sworn written statement was obtained from Tiffany.

I then went to Duke and Duchess to attempt to get video surveillance of their business for the hours of 3/16/13 at 11:00 pm through 3/17/13 at 1:30am. The employee advised that she did not know how to make a copy but the person who did comes in at noon. The employee advised that she would call me when the video is ready.

I then went to Walmart to attempt to get video surveillance of their business for the hours of 3/16/13 at 11:00 pm through

Seq No. 5 Date & Time 03/18/2013 18:54

3/17/13 at 1:30am. A copy of the surveillance was obtained.

I then went to Uncle Louis to attempt to get video surveillance of their business for the hours of 3/16/13 at 11:00 pm through 3/17/13 at 1:30am. The employee did not know how to make a copy of the video but advised that the vice president of the company would be in at noon to get a copy made for me. The employee advised that he would call once the copy is made.

I spoke with Det. Riley to brief him on my findings. Det. Riley advised me to go to the Wilmington Transportation building and speak with an employee "Sug" who also works as a bouncer at Uncle Louis. I went to Wilmington Transportation and was advised that "Sug" was home sick. I obtained a phone number for "Sug".

I then responded to Duke and Duchess where a copy of the video was obtained.

I then delivered the videos, statement, and "Sug's" phone number to Det. Riley.

I then spoke with the vice president of Uncle Louis and they advised that they were having difficulties making a copy of the surveillance.
