Good morning Mr. Pitzer & Mr. Petrey,

Please see the destruction order related to your public records request which are the only documents related to your request in the City of Wilmington's possession. Attached you will locate the signed destruction order in 2019 by Judge Rudduck. The City has highlighted the items on page 2 and page 3 of the destruction list as it pertains to your request. Be aware that the actual pages will say “2 of 30” and “3 of 30” as there are multiple lists and pages within this order.

I will provide you will a copy of the letter my office sends to an outside agency related to an outside investigation.

Sincerely,

Justin D. Dickman
