STATEMENT OF:

my family and I left from bowling alley about 12:30 as I was coming from exit ramp I seen a car that looked like it was sitting in the Road so I moved over to fast lane as I got closer I seen that it was off the road and the car was a white four door. As I looked up from checking ~~mirros~~ mirrors to look back at road there was a female in dark clothes standing right in front of my car. She jumped into the grass and as I was passed I seen her just standing there in the grass from my mirrors and with the street lights.
